Official Press Statement – Tuesday 10th July 2012

Friends and Supporters,

We are delighted to announce that we have just completed our acquisition of Nottingham Forest Football Club from the Estate of the late Nigel Doughty.

It is an honour and privilege for the Al-Hasawi Family to assume control of this great Club steeped in history and with the outstanding legacy left by its previous owner Nigel Doughty.

We know there are challenging times ahead of us to bring the Club back to its glory days and we look forward with excitement towards a new successful future.

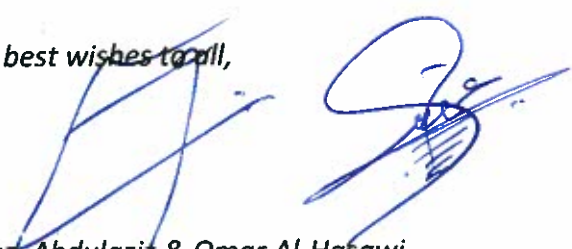

Over the next few weeks we will be working closely with our players, on-field and off-field team members in preparation for the forthcoming Season.

It has always been our intention to seek the opinion and counsel of the loyal fans with respect to the Club's future. On Saturday 14th July 2012 we will be holding the new season shirt launch at the City Ground together with a press conference. After this we would be extremely happy to meet with the Club's friends and supporters. More information will be available on the NFFC Website in the coming days.

This is a tremendously motivating time for the Family and Club and you can be assured of our best efforts in bringing the Reds back to the top of the table.

With best wishes to all,

Fawaz, Abdulaziz & Omar Al-Hasawi
